# Tea Selection

## Black Tea

**Irish Breakfast** - Specially selected, powerful, spicy assam teas give the delicious & intense taste of the popular classic.

**Ceylon Decaffeinated** – A carefully & gentle decaffeinated Ceylon tea full of typical fruity & rich liveliness.

## Flavoured Black Tea

**Earl Grey** - A delicate flowery autumn plucking blended with the refreshing citrus aroma of bergamot.

**Chai Ginger and Orange** – Fresh touch of ginger, seasoned with orange, blended with an Indian spice mixture, full & aromatic.

**Queen of Cherry** – Finely tuned teas from Ceylon combined with the almond-like aroma of the wild cherry to create a delicious combination.

## Flavoured Oolong

**Oolong Peach** - The delight of an exceptional oolong with the fragrance of apricots & peaches.

## Green Tea

**Fancy Sencha** - A premium large, leafed Sencha – refined tartness with a breath of sweetness.

**Gunpowder** – A well-known Chinese speciality with a leaf rolled like a ball. A slightly bitter, strong tea variation.

## Flavoured Green Tea

**Snow Whites Dream** – The subtle flavour of marzipan on summer Sencha melds with the sweetness of coconut & cinnamon.

**Morgenthau** – Fascinating composition with large, leafed Sencha & unusually fine fruity aromas & flowers.

## Rooibos

**Chocolate truffle** – Slight vanilla taste with sweet chocolate & truffle notes. This tea is reminiscent of the taste of delicately melting pralines.

## Herbal Infusions

**Refreshing Mint** – Gunpowder pellets melded with fresh mint.

**Equilibrium** – Rooibos, camomile & the taste of honey will make for good spirits.

## Fruit Infusions

**Granny's Garden** – Made with fruity fresh rhubarb and rounded off with the delicate sweetness of vanilla.

**Get the Power** – This fruit infusion has a character: thanks to exquisite fruits, cola nuts & red currant.
