Jura

| | |
|---------------|--------|
| Jury 10yr old | €10.80 |
| Jura Prophecy | €15.60 |

In the early 1700's the Campbells of Jura evicted a wise old seeress. Bristling with resentment, she prophesied that the last Campbell to leave the island would be one-eyed with his belongings carried in a cart drawn by a lone white horse. In 1938 it came true when Charles Campbell, blind in one eye from the Great War, led his white horse to the old pier for the last time. Just like Jura, Prophecy is a dram that's steeped in stories, and every drop has a different tale to tell.
